

Berberine HCl

For Healthcare Professionals Only
90 Capsules

Berberine is a bitter-tasting alkaloid present in the roots, rhizomes and stem barks of select plants including Barberry (*Berberis vulgaris*).¹ Berberine has a long history of use in both Chinese and Ayurvedic medicine, primarily to support gastrointestinal function. Berberine has demonstrated significant activity against a wide variety of organisms including a broad spectrum of bacteria, yeasts, fungus and parasites. Its mechanism of action is thought to result in part from its characteristic structure, which is that of a planar cationic molecule. This structural arrangement enables it to intercalate the DNA structure, similar in fashion to the mechanism of ethidium bromide.²

In addition, Berberine has been shown to be supportive of healthy blood sugar levels, including fasting and postprandial blood glucose, and HbA1c, as well.³ The mode of action is believed to result from its ability to modulate key molecules in the insulin signaling pathway, leading to increased glucose uptake in insulin-resistant cells.⁴

Berberine has also been shown to be supportive of normal blood lipid levels, with the apparent mode of action being described as an increase in the production of a receptor protein in the liver which binds LDL-cholesterol, preparing it for elimination.⁵

Cautions: Berberine HCl is not recommended for children, pregnant or lactating women, or those suffering from congestive heart failure.

Berberine HCl - #5212

Supplement Facts

Serving Size: 1 Capsule

	Amount Per Serving	% Daily Value
Berberine Hydrochloride	500 mg	*

* Daily Value not established

Other ingredients: Cellulose, capsule shell (gelatin and water) and magnesium stearate (vegetable source).

Berberine HCl is purified from *Berberis vulgaris*.

This product is gluten and dairy free.

RECOMMENDATION: One (1) capsule each day as a dietary supplement or as otherwise directed by a healthcare professional.

CAUTION: Not recommended for children, pregnant or lactating women.

KEEP OUT OF REACH OF CHILDREN

Store in a cool, dry area.

Sealed with an imprinted safety seal for your protection.

Product # 5212 Rev. 11/12

This product is gluten and dairy free.
